

How to Volunteer for the Fall 2020 Election

If you are concerned about beating Trump and/or flipping the Senate:

- California is very likely to go for Biden, so the focus is on getting out the vote in swing states. Go to <https://www.cadem.org/> and click on Volunteer. There are lots of opportunities, including weekly **phone banking for the Biden/Harris ticket and vulnerable Senate seats** (Swing State Sundays, 1pm: <https://www.mobilize.us/cadems/event/303583/>). You will be given training, and you can do it from home on your computer.
- A winning campaign takes money! Go to the Biden-Harris website to **donate**: <https://joebiden.com/>.
- You can purchase **Biden-Harris yard signs** and swag at their website (<https://store.joebiden.com/>). The EDC also has purchased some yard signs in bulk—You can get one by contacting Christine Jackson (see Contact Info below). \$5 each, and you pick it up here in Escondido.

If you want to focus on local races and local get-out-the-vote efforts:

- The San Diego County Democratic Party hosts weekly **phonebanks and textbanks** to get out the vote. Go to <https://sdcdp.ngpvanhost.com/newsfeed/sign-volunteer-phoning-or-textbanking> for info.
- The local **Get Out the Vote (Go Team)** effort has switched to literature drops only—no more knocking on doors, just leave a door hanger. If you would like to walk your precinct or another local neighborhood, sign up at www.sddemocrats.org/confirm or contact Christine Jackson (see Contact Info below).
- **Postcard writing** for local Democratic candidates: Contact Christine Jackson (see Contact Info below).
- There are a number of important **local races**, and all of the candidates need financial help as well as help with phone banking, literature drops, etc. For a complete list of EDC-endorsed candidates and links to their websites or Facebook pages, go to the endorsements page on our website, <https://www.escondidodems.org/endorsements>

If you want to be a poll worker:

- Contact the San Diego County Registrar of Voters; you can sign up online: <https://www.sdvote.com/content/rov/en/pollworkers.html>
